SOLUTION

X-Men

The X-Men are typically known by their mutant names – inspired by the special powers they have as a result of mutations – but many also feel a connection to their given names as well.

If you feel your energy flagging, come join us for food, drink, and puzzles! The mutants below are each signaling part of the location where you might find the X-Men.

Draw lines from each mutant name to his/her given name and power. Interpret these as semaphore. Read letters top to bottom (mutant name / logo order): S C H O O L.
