

"So Long, and Thanks for all the..."
SOLUTION

Some of the Vogon texts include lists of objects. Only one object in each list is *orange* in appearance (and the "carrier wavelength" of this conversation is also *Orange*). Lists are shown below, with orange things **bolded** for emphasis:

- football, **basketball**
- **apricots**, grapes, bananas
- **carrots**, tomatoes, aubergine, leeks
- badger, **oriole**, goose
- pomegranate, avocado, **nectarine**

Take the first letter of each orange object, in order, to get the answer:
