# SPOILER ALERT (META)

Today's your lucky day, solvers! We got some inside info from George R. R. Martin, and he told us the ending to the next book in the series: The Winds of Winter! The only problem is that he gave it to us in the form of these blank family sigils, with only these strange musings to help along:

"I thought about calling it The Gusts of the Cold Season or The Breezes of December, but I decided that this sounded a little better."
