

“ CHARACTER ARCS ”

Every Star Trek character goes through changes as they adventure through the cosmos. Use the clues below to identify each name and the change that person has gone through to become who they are now, and you'll also know *where* they all end up. Then follow the web site instructions at the bottom of the page and you'll learn where to boldly go in person for this month's event, celebrating 50 years of STAR TREK!

THESE ARE

THE VOYAGES

OF THE STARSHIP

PUZZLED PINT

Easy mark for the NX-01's chief engineer

Master for an unstable Goong-type android

One-piece garment for the McCoy who's a doctor, not a gymnast!

Manual labor for a Klingon security officer

Old horse for a Ferengi Starfleet cadet

Punt for the only captain to beat the Kobayashi Maru

Pickling herb for a bearded Human first officer's first name

Peculiar behavior for a Ferengi bar owner

Pre-1834 British Conservatives for a half-Klingon chief engineer

Candle material for a Trill science officer

This is the location puzzle for PUZZLED PINT on August 9, 2016.
