

T.A.R.D.I.S. Navigation Console

The Doctor steps into his T.A.R.D.I.S., leaving 19th century London behind. They nicknamed the city "The Big Smoke" due to the vast industrial factories filling the sky with soot. In the mood for a puzzle, he scans the list of Puzzled Pint cities on <http://www.puzzledpint.com/about> and sets the dials.

Where is he going?
