

The Enchanted Forest

Puzzle by Neal Tibrewala, Austin, TX

Your quest to find the dragon's lair will take you beyond the **moors** and into the enchanted forest. You seek his cave, which lies deep within. However, each time you leave a clearing along the path, due to the forest's enchantments, you may find yourself not at the next clearing, as you might expect, but a different one beyond it, in the same direction as you traveled, thus skipping a clearing or two. Find the unique path through the forest, stopping at every clearing exactly once and pick up any **dungeon keys** or **coins** that you find along the way. In doing so, you'll learn the password to enter his lair.
