

First, identify each movie  
from its description.  
Google can help with that.

**Music From Another Room** 13

Danny is a young man who grew up believing he was destined to marry the girl he helped deliver.

**The Killing Room** 2

They thought they signed up for psychological research, but they are really part of a brutal, classified government program.

**Room With a View** 13 (should be 12?)

**Panic Room** 5

A woman and her young daughter become imprisoned in their own house by three criminals.

**The Roommate** 3

Sara's new flatmate, Rebecca has an obsession with her, which quickly turns violent.

**Boiler Room** 4

A college dropout gets a job as a broker for a firm that may not be as legitimate as it first appears to be.

**The Playroom** 5

Four children in their attic hideaway make up a fantastic story, while downstairs their parents weave a drunken intrigue of their own.

**Marvin's Room** 2

Leukemia patient attempts to end a 20-year feud with her sister to get her bone marrow.

**Four Rooms** 4

Four interlocking tales that take place in a fading hotel on New Year's Eve.

Second, identify which  
word in each is misspelled  
and note its position.

Finally, use the number to index into the movie titles: THE CELLAR
