# Exclamation Pints!

Puzzled Pint is turning 10 and I'm so excited I can't stop shouting! I'm amazed that the event has spread from just Portland to over 80 cities throughout the world!! And I am grateful to the hundreds of volunteers who serve as Game Control to make it all happen!!!

**It's about puzzles!!** Solve the following:

1. What Cinderella left behind (1 5 7) A GLASS SLIPPER
2. Collection of maps in a book (5) ATLAS
3. What bees do (4) BUZZ
4. Bake sale, silent auction, or telethon (10) FUNDRAISER
5. Very, very tall and large people (6) GIANTS
6. Second Imperial Chinese dynasty (3) HAN
7. Reheated food from yesterday's dinner (9) LEFTOVERS
8. \_\_\_\_ warm (tepid) (4) LUKE
9. You shuffle, cut, and deal them (7 5) PLAYING CARDS
10. Having the tendency to be nosy or prying (6) SNOOPY
11. Large striped felines (6) TIGERS
12. Broadway award or word meaning posh (4) TONY
13. Famous music festival of 1969 (9) WOODSTOCK
14. Like tree trunks but not flower stems (5) WOODY

**It's about beer!!** Fill the pint glasses with your answers.

**It's about friends!!** Cut out the square, then connect the three famous pairs of friends: use a straightedge to carefully draw a line between the dots of *their* exclamation points. Then, starting with the longest line and ending with the shortest, mountain-fold along each line you've drawn (i.e. the pints should end up on the outside). Finally, make two more folds, such that each lone individual gets joined up with a team.

HAN and LUKE, BUZZ and WOODY, SNOOPY and WOODSTOCK

**It's about done!!** Separate the two layers slightly by sliding a finger between them, and squeeze the sides gently. Hold the object so that you're looking at the side with the double exclamation points.

Follow the exclamatory instructions that you have written there.
