

Pint Love

★★★★☆
Author: Jen Dumont, Portland, OR

If there is one thing that I love, it's a good pint of beer, or two, or three, or..... Sorry I just got wrapped up in my pint. Where was I? Oh right, sometimes I'm **blind drunk** and don't understand unless I look inside my pint.

Cut out the 6 strips along dotted lines and fold in half length wise and assemble and see your pint show you a message.
