The Office Cat

Fluffy, the office cat, loves to prowl around the journalists' computers. Being rather self-absorbed, he changed one letter of each word below to make today's newspaper topics all about him and, unfortunately, none of us noticed until after the newspaper was printed! Figure out what we really need here.

Each word can have one letter change to spell CAT - The icon represents the section of the word in CAT.

Housing for felines with stored voltage 🐱 _T_ _E_ _R_ _Y_ = BATTERY=B

To represent a feline many times _R_ _E_ _P_ 🐱 = REPEAT=E
