

The Enchanted Forest

Puzzle by Neal Tibrewala, Austin, TX

This is a simple logic puzzle with the extra bit of collecting the items on the way.

"moors" is a clue to "MORSE code", which is used to decode the final word. "dungeon keys" are dashes and "coins" are dots. Empty clearings are spaces between letters.

-- (M) .- (A) -- . (G) .. (I) -.- (C) = MAGIC
