

Curiouser and Curiouser

Puzzle set authored by Justin Melvin and Elizabeth French, Seattle, WA

'Oh, I've had such a curious dream!' said Alice, and she told her sister, as well as she could remember them, all these strange Adventures of hers that you have just been reading about; and when she had finished, her sister kissed her, and said, 'It was a curious dream, dear, certainly: but now run in to your tea; it's getting late.' So Alice got up and ran off, thinking while she ran, as well she might, what a wonderful dream it had been.

Alice was completely bewildered by the events of the day and did not know how **to piece together all the things she learned** from Wonderland. What would **appear** to help her?

Cut out the tiles along dotted lines. Use your answers from the other puzzles to rearrange them into a different 3x3 grid. Do not rotate the tiles; keep the numbers upright. If you use tape, do so on the back, so you can still easily write on the front.
