

Cleric — Turning Undead

Difficulty: *Easy*

This is a simple logic puzzle. By process of elimination you first need to assign each monster to one of the outlined lairs. Then to extract letters you use the size of each lair in squares and index into the monster that returned to that lair. These letters spell **Lucy's Cordial**, which is the healing potion from the Narnia series.

Map Key

- Tomb
- Corridor
- Room
- Water
- Bridge
- Wall
- Fire Pit
- Lair
