## *Video Game Fantasy Solution*

Using the candles in the back as binary (flame = 1, no flame = 0), order the nine photos and figure out the names of the characters:

1. Sonic
2. Earthworm Jim
3. Mario
4. Aladdin
5. Pacman
6. Homer Simpson
7. Oddjob
8. Raphael
9. E. Honda

In this order, the first letter of the names clues what you should do next:  
SEMAPHORE.

Convert the time on each card to an analog clock. Using the placement of the hands and semaphore, what are the characters trying to say? GOOUTSIDE.

Solution: Go Outside
