

Logo Puzzle Walkthrough

Check out the logos on each puzzle. What are those things?

The logos are:

Grid = Coke Bottle

Dots = Pitcher

Paddles = Coffee Mug

HueMazing = Martini Glass

Meta = Shot Glass

Do you see anything unusual about the Puzzled Pint text in the logos? One or two letters are underlined. If the first letter is underlined, take the first letter out of the object in the logo.

Grid = Coke Bottle = 1st letter underlined = C

Dots = Pitcher = 5th letter underlined = H

Paddles = Coffee Mug = 5th and 6th letters underlined = EE

HueMazing = Martini Glass = 3rd letter underlined = R

Meta = Shot Glass = 1st letter underlined = S
