

# The Everdoor

After a long journey, it's time for Stella to lead a spirit to The Everdoor, where the spirit moves on. The Everdoor makes stars in the sky which are used later for that spirit's constellation. Each star **rotates clockwise and shifts in its own unique way in the sky as the spirit passes**. An example star shows how.

## EXAMPLE

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15  
1 2 3 4 5 6 7 8 9 10 11 12 13 14 15

After the spirit's journey is complete, Stella finally says " ."
