

Campaign Slogans

Every campaign needs a slogan. No matter how *long* their *names* have been in public, they want us to believe *in* their slogans. But they all just want to be the ..

Real plans for real people

Blaine, Blaine, James G. Blaine, The Continental Liar from the State
of Maine

Prosperity and progress

Return to normalcy

A chicken in every pot and a car in every garage

Patriotism, Protection, and Prosperity

Nixon's the One

Change We Need
