

# Secret Sauce

Inspired by cocktail sauce (horseradish + ketchup), some friends created their own condiment duos on a late night muchie run.

They found the following at their convenience store:

- Guacamole
- Hot sauce
- Hummus
- Jam
- Ketchup
- Mayonnaise
- Mustard
- Nacho cheese sauce
- Peanut oil
- Pepper
- Pickles
- Relish
- Sour cream
- Soy sauce
- Wasabi

What did they use their creations on?

[Event provided actual samples of the pictured dishes, allowing for smell.]
