

# Puzzled Pint: Horoscopes

by Sandor W., Sarah W., & Wil Z. • Puzzled Pint bonus puzzle • May, 2017

These always seem to be about someone else. I should really write a single letter to the editor.

**Each horoscope references a person the same length as the zodiac sign.**

**JESUS**  
**ARIES**

You are a prophet to many. Your friends follow your words to the letter. When anyone offends you turn the other cheek. ★★★★★★★★

**THELMA**  
**TAURUS**

You and a girlfriend want to leave your dreary life behind, but careful: even if he is Mr. Brad Pitt, you may opt to run over a cliff. ★★★★★★★★

**KERMIT**  
**GEMINI**

You enjoy spending time with lovers and dreamers, looking for an elusive connection. Methinks someday you'll find it. ★★★

**TARZAN**  
**CANCER**

You wild. You swinger. Hate civilization. Love apes. One day, you meet a woman who tame you well. If you lucky. ★★★★★★

**LOT**  
**LEO**

You've been living among sinners for way too long, and it might be time for you to leave. Warn your wife: don't look back. Scrub sodium from your diet. ★★★★★★

**VENUS**  
**VIRGO**

You're a total sex goddess. Literally. Watch out for cherubs shooting arrows, one might be your son. Favorite food is anything on the half-shell. ★★

**BJORK**  
**LIBRA**

Your friends think you're avant garde and more than a little experimental. Drop an extra sugarcube in your coffee this month. Libras love Icelandic swans. ★★★★★★★★★★★★

**MAGNETO**  
**SCORPIO**

Some people call you a mutant but you wear the name with pride. Metal is no match for you. You'll butt heads with a professor this month. ★

**RUBYTUESDAY**  
**SAGITTARIUS**

Goodbye / Who could hang a name on you? / When you change with every new day / But still, I am gonna miss you. ★★★★★★★★★★

**DARDEVIL**  
**CAPRICORN**

You may be blind, but your radar sense will be extra strong this month. Focus attention on the good guys; don't forget to rub out bad guys. ★★★★★★★★★★★★

**SUPERMAN**  
**AQUARIUS**

This month you'll be faster, stronger, and more powerful than anyone else on Earth. When people look up, they may, say, mistake you for a plane. ★★★★★

**GASTON**  
**PISCES**

This month you will chase a Beauty, but you won't win her. No one hits, matches wits, or spits like you. The rest are all drips! Five hurrahs for you. ★★★★★★★★

**Each sign and person have one letter that matches in the same position : PARTIAL ANSWER: OVER LAST STAR**
