

RED LIGHT, GREEN LIGHT

In *Red Light, Green Light*, Gi-hun (Player #456) and 455 other competitors attempt to cross the red finish line by the guards, tree, and animatronic doll before the final round. Each round, the doll announces “Red Light!” or “Green Light!”. During *red light* rounds, players must freeze in place, or risk elimination. During *green light* rounds, players can take one step closer to the finish line. Unfortunately, some players were eliminated because they committed a...
