

Dinner

February 2011

Pat,

*I did some research on possible places for a nice romantic dinner.
What is your favorite beverage?*

Chris

 Holy sodium intake. I had some sort of boxed meal here with a couple of massive chicken breast pieces that were salty as all hell. Good thing they have *large* sodas to wash it all down with. Was it good? Oh yeah.... [More »](#)

 Dude, it's fucking McDonalds. It's a go-to place for a burst of calories. All I see is 60 grams of protein and 600 calories for three bucks. And that is for a *small* milkshake. This one has some awesome beggars hanging about.... SUPER EXTREME TIMING BONUS!! Nuggets right out of the fryer this morning. FUCK YES! [More »](#)

 G-L-A-M-O-R-O-U-S Fergie acts as if Taco Bell is the dumps. But you know what?! I STILL GO TO TACO BELL. SHIT'S MAD FLOSSY. They're GENIUSES! They decided that burritos should come in the *extra large* grilled variety. First off, classical music in a Taco Bell, WHAAAAAAAAAAT?! Dining
