Invitation (Location Puzzle)

SOLUTION

1. The border of the invitation is morse code. (Large loops are dashes, short ones are dots.)
2. The border of the Seattle puzzle reads "EVERY FIFTH LETTER". The Portland puzzle's border reads "EVERY ELEVENTH LETTER".
3. If you read the nth letter of the puzzle's text, it gives the location of the bar. (Portland = CHAPEL PUB, Seattle = ELLIOT BAY LAKE CITY BACK ROOM")
