NONSTOP

“How do you write like you’re running out of time?
 Write day and night like you’re running out of time?
 Every day you fight like you’re running out of time?
 Are you running out of time?”

Puzzle By: Matthew Stern (St. Louis)

JANUARY 2017

With John Jay getting sick early on and James Madison only writing a third of the essays, it’s no surprise that Hamilton writes like he’s running out of time! The Constitution isn’t going to defend itself! As a result, he has taken to mapping out when he wants to have his various essays completed by. Writing dozens of essays on his own is quite tiring, but Hamilton remains resolute and refuses to complain or **flag** down help. Though secretly, there is something that he would like to help him through the process. Only **time** will tell what he truly needs.
