

2014: THE FUTURE IS IN TROUBLE

PUZZLE BY: WIL Z. -CHICAGO

As the time draws nearer to 2015, Marty McFly has noticed that the timeline is getting messed up again. Marty has had many puzzling adventures in the past and took photos of each one so he could remember them. But when he went back to look at them he noticed that the Polaroids were beginning to change. Before he can begin his journey to restore the timeline, he's going to need an item to help him. Can you realign the past to discover the object?

This is the location puzzle for **Puzzled Pint** on **October 14th, 2014**. Use the answer to complete this URL and discover the location details for your city:
