

# Downsizing the Gang

Louie Lips: Hey Frankie, is the boss really sacking all twelve of us?

Frankie the Hound: No Louie, he's just downsizing a bit: **getting rid of all the redundancy**. Take ANDREW over there for example, and DANIELLO too. Boss says there's too much duplication – too much fat. He's going to put the squeeze on those two scammers and compress them into a RWILLO.

Louie Lips: Huh!? What's a RWILLO? That's not a word; that's not a name!

Frankie the Hound: Who cares? He's not going to last long anyway. RWILLO will be crammed together with a LLIDRU to make some grifter named WODU.

Louie Lips: Hmm... What do you call that when you take a bunch of swindlers and squeeze them all together into one?
