

The Medieval Zone

In the Medieval Zone you choose a 'Mental' game. You are led to a dungeon, wherein a famous riddler is held.

"It's very boring in here," they say, "when I'm not being tortured, that is."

"So I have a little game," they continue, "I use the dungeon items to create riddles. If you **scramble** to solve the riddles you'll know my name."

The plague-carrying creature whose bites I fear (3)
Has this and becomes an archaic deer (4)

Its many eyes watch from the corner of the room (6)
With this it feels my misery, my gloom (7)

The device that pulls till my sinews fail (4)
With this leaves a footprint on a dusty trail (5)

They bind me tightly, though they're frayed (5)
With this on a wall they'll be displayed (6)

The branding tools in the coals a'smoulder (5)
Need this to make them grey and older (6)

A restrictive home for beast or bird (4)
With this a mealtime prayer is heard (5)
