

Milliways is known throughout the galaxy as a great place to get a meal while watching the universe end all around you. Five friends, Beeblebrox, Dent, Marvin, Prefect, and Trillian stopped by to grab a bite. Each brought with them an essential travel item (face flannel, gnat spray, a space suit, a towel and wet weather gear), ordered a different dish (fairy cake, flank steak, Ameglian Major Cow, peanuts, and sandwiches), and ordered a different drink (Gargleblaster, Gee-N-N-T'N-ix, Jinond-o-nicks, Jynnantonnyx, and a drink from the Nutri-matic). Can you deduce from the given clues which friend ordered which meal and drink, brought which item, and the order in which they arrived at Milliways?

1. Only Milliways can serve a delectable dessert immediately after the destruction of the universe, but only the friend that brought the gnat spray (who was not the friend that arrived first) chose to partake in the delightful fairy cake.
2. Three of the friends are, in no particular order, the one who ordered Ameglian Major Cow, the one who brought the face flannel, and the one who ordered a drink from the Nutri-matic, which dispensed a substance that was almost, but not quite, entirely unlike tea.
3. The being that ordered flank steak arrived some time before the one that ordered a Gargleblaster, who arrived immediately before Prefect.
4. The staying power of Milliways (well, other than it existing outside of time and space) is due to the restaurant's amazing service, especially the always eager to please Ameglian Major Cow, who managed to convince even the somewhat distressed Dent to try a cut of its own shoulder.
5. Just under five minutes before the universe was scheduled to end, Beeblebrox (who did not order the jinond-o-nicks) finally showed, the last to arrive.
6. Some strong but delicious drinks are made by the staff at Milliways, including the Jynnantonnyx, which was ordered by the friend that arrived immediately before the one that ordered the jinond-o-nicks (who was not the one who brought the towel).
7. The patron who ordered the fairy cake arrived some time before Prefect.
8. Something in the sandwiches gave one of the patrons (who ordered the Gee-N-N-T'N-ix) a terrible upset stomach.
9. Some nutritious and delicious peanuts were all that was ordered by friend that brought the towel (who arrived immediately before the one that ordered sandwiches).
10. The second patron to arrive did not bring the wet weather gear or the gnat spray. The one who ordered the Gee-N-N-T'N-ix did not bring the space suit.
11. Some patron (who was not Marvin) ordered both the flank steak and jynnantonnyx. The one who ordered the Gargleblaster did not bring the towel.
12. The fourth patron to arrive was neither Trillian, the one that brought wet weather gear, nor the one that ordered the jinond-o-nicks.
