Four Books Walk into a Bar...

As you know, Bob, there are actual puzzles embedded in the book covers for science fiction spy thriller novels *Waypoint Kangaroo* and *Kangaroo Too* (leading to online mini-hunts that reveal prequel stories)! But did you realize that we can make *any* book cover into a puzzle? See below for some **shifty** examples that will combine to reveal what kind of lofty intellect you're dealing with here.

This is the location puzzle for PUZZLED PINT on July 10, 2018.
