

World Map SOLUTION

1. The flags represent Morse code: Each flag is either mostly stripes (dash) or a single object (star, circle, etc – dot).
2. Separate the flags by continent.
 - a) North America: Cuba, Bahamas (M)
 - b) South America: Brazil (E)
 - c) Europe: Germany, Ukraine, Poland (O)
 - d) Asia: Japan, South Korea, Vietnam, Thailand (V). (Asia is the only continent whose flags are not all dashes or all dots. In this case, use the flavortext's "east to west" to order the Morse code.)
 - e) Africa: Somalia, Morocco (I)
3. Read clockwise from North America for the solution: MOVIE
