

As usual, Gilligan's actions are having an impact on what the others are doing. This has resulted in changing what they intended to bring to the December 14 celebration.

Use the instructions below to transform answers from the other puzzles to form new words. For puzzle answers that are multiple words, use each word separately. Every word will be used exactly once.

As you transform each word, you'll find a part of what Gilligan contributed to the celebration.

Puzzle answers:

the HOWELS	LAGOON	
Ginger		
MARY ANN		
PROFESSOR		
SKIPPER
