ANSWER SHEET

Welcome to Puzzled Pint!

Puzzled Pint

October 2016

ANNOUNCEMENT: November's Puzzled Pint will be **ONE WEEK LATER** (Nov 15th) due to US Election Day!

Tonight your packet contains four puzzles. Each puzzle will somehow solve to a *short word or phrase*. If you're joining us for the first time tonight, please read our *Puzzling Basics* page by scanning the QR code below or going to http://www.puzzledpint.com/basics . Note the "*How to solve*" section that describes solving techniques like indexing and using the codes on the code sheet that was provided to you along with your packet.

Puzzled Pint is *not a competitive* event. We encourage you to *ask Game Control (GC) for hints as often as you'd like*. Our goal is for you to have fun, not to be frustrated!

While we like to theme our puzzle sets, most puzzles do not require special knowledge of the theme to solve them. Still, using the internet is completely **allowed**, especially for puzzles involving trivia (like *Running Mates*)

When you've solved the first four puzzles, confirm your answers with GC, and you'll get the final **meta-puzzle**, which requires the previous puzzle answers to solve.

Once you're all finished, please *return this answer sheet to Game Control*, along with your code sheet and any borrowed items like pencils, tape, or scissors. Returning your answer sheet with an accurate count of your team size will allow us to make sure that we have enough space for everyone at our venues in future months and that we have enough puzzle packets available. Additionally, you'll be able to see how your time ranks relative to other teams worldwide on our web site.

Special thanks to the GC in Washington D.C. for authoring tonight's set. We all sincerely hope you enjoy your evening! — *Puzzled Pint GC*
