

Nighttime Burglary

(Location Puzzle)

As an art-thief-in-training, you'll have to master the many skills it takes to be able to nab any painting from any museum at a moment's notice. It's time for your first challenge. Art heists are quite the bumpy ride, especially the ones at night. You can't see anything but still have to complete the job. Break into this keypad to find the location of your first heist.
