

*December 2010*

## *Meta Puzzle* **SOLUTION**

1. Between each puzzle's title and solution, fill the date of the holiday on the “\_\_ / \_\_” line. (This is clued by the top three lines of the sheet.)
2. Use the month and day of the holiday to index into the solution to each puzzle. This gives “NE”, “WY”, “RE, and “VE”, or “NEWYREVE”.
3. To open the four digit lock, use the month and day of New Year's Eve: 1231. At Puzzled Pint, the locked, wrapped gift held New Year's Eve noisemakers.
