Altcoins

“Our new currency is so popular it’s inspired a number of altcoins!” said Bob. “We should buy them all up!”

“Surely, only some of them will matter,” responded Alice.

“Better safe than sorry. And if we buy the right ones at the right time, we’ll have a reputation of being a cryptocurrency expert!” Bob said. “Maybe we should just look at the currencies we’re familiar with?”

“That’s a great idea,” replied Alice. “I wonder what being a cryptocurrency expert would mean we could do?”
