

Curiouser and Curiouser

Alice was completely bewildered by the events of the day and did not know how to piece together all the things she learned from Wonderland. What would appear to help her?

Cut out the tiles and rearrange to form a 3x3 grid using what Alice learned during her journeys.

Each edge has a word that corresponds to either the first or second of a puzzle answer:

SHUFFLE: DANCE, RIFFLE, RANDOMIZE, ARRANGE

AWAY: GONE, FAR, ELSEWHERE, ABSENT

LITTLE: SMALL, TINY, MINIATURE, YOUNG

ALICE LIDDELL: NIECE OF LEWIS, GIRL, KID, CHILD

BEAUTIFUL: HANDSOME, COMELY, ATTRACTIVE, PRETTY

SOUP: BISQUE, MINISTRONE, CONSOMME, BROTH

MAKES: FABRICATES, PRODUCES, CREATES, GENERATES

NOTES: CDEFGABC, DO RE MI FA SO, LOGS, RECORDS

Arranging the squares so each edge forms a pair corresponding to one of SHUFFLE/AWAY, LITTLE/ALICE LIDDELL, MAKES/SOUP produces a Connect-the-Dots of a grinning cat - the **CHESHIRE CAT**
