

# FANGS FOR NOTHING

*He can transform himself to wolf... he can be as bat... He can come in mist which he create... He come on moonlight rays as elemental dust...*

—Abraham Van Helsing

Curses! Despite your hard-won vampire killer skills, you've found the Count's last remaining box of earth a few moments too late. The sun has set and he has transformed into mist and vanished into the night. Use what you've learned to pursue him as he changes into his various forms and find out just why that charming ancient leech always manages to escape.

Pulverize the last letter into moondust to get small stones.

Remove the 1<sup>st</sup> to get a French composer.

Then put a crucifix in front of him...
